

## V International Conference & Exhibition “ATOMECO-2011”

31 October – 1 November, 2011  
Venue: International Trade  
Center, Moscow

The AtomEco Conference will be reconvened in 2011 following the success of the previous events held in Moscow, Russia. Those events became a gathering place of global nuclear community involved in radioactive waste management, spent nuclear fuel management, decommissioning and dismantlement, environmental remediation. The events feature more than 600 representatives each year from as large as 100 organizations, agencies, companies, R&D institutes from Russia, USA, France, Ukraine, China, Germany, UK, etc.

Invited panelists from world-wide nuclear authorities and agencies, research institutions, companies and facilities will discuss such the vital issues of nuclear industry development as:

- Advanced nuclear fuel cycles and new builds nuclear programs
- Crosscutting policies and programs
- Economics of the nuclear fuel cycles and back-end
- SNF management challenges
- Environmental remediation, decommissioning and dismantlement of nuclear and hazardous facilities
- Opportunities for international cooperation
- Transportation and packages
- Emerging technologies for LLW and ILW, HLW, NORMs, etc.

The past 2010 Forum featured the following key speakers:

- Petr Shedrovitskyi (SC Rosatom) – Deputy Director General
- Yuri Medved (SC Rosatom) – Deputy Head of the Division on Nuclear and Radiation Safety
- Kurt Gerdes (U.S. DOE) – Head of EM Groundwater Remediation Office
- Yvette Collazo (U.S. EM DOE) – Head of the EM Technology Transfer and Development Office
- Jeff Kerridge (CH2MHill) – Vice-President
- Greg Meyer (Fluor Corporation) – Senior Vice-President
- Sergey Baranov (PU Mayak) – Director General
- Petr Gavrilov (Mining and Chemical Combine) – Director General
- Edward Helminski (Exchange Monitor) – Chief Editor
- Gerald Ouzounian (ANDRA) – Director of International Affairs
- Gilbert Fady (CEA) – G8 Program Leader
- Peter Booth (NNL) – Technical Leader

If you would like to be an invited panelist and make a presentation, or just attend the Forum, please confirm your participation at your earliest convenience.
