

# EFN on the internet

[www.ecolo.org](http://www.ecolo.org)

All you need to know about nuclear energy and the planet: introducing the international Association of Environmentalists For Nuclear Energy (EFN) and its activities (in eight languages); the environmental benefits of nuclear energy; how to join the Association; how to help the Association in its mission of informing the public; how to become a local correspondent of the Association; how to sign the petition on the internet; EFN's newsletter (distributed gratis by email); forthcoming exhibitions and shows...

**EVERYTHING ABOUT NUCLEAR ENERGY AND THE ENVIRONMENT  
ON THE INTERNET 24 HOURS A DAY**

**For complete and straightforward information  
on energy and the environment**
